Subject: Help me support students in need at Ontario Tech!

Dear Friends and Family,

I've accepted the challenge to join Chancellor Mitch Frazer in a 5 km Run/Walk in support of Ontario Tech Students and I want you to go that extra mile with me!

On Saturday, September 24, 2022, we can complete 5k together, even if we are apart. The Chancellor’s Challenge is a family-friendly fundraiser that the whole community can participate in. Proceeds from this event will go toward funding scholarship and bursaries for deserving students who are pursuing their higher educational goals, some who are experiencing financial need and others to be rewarded for their academic merit.

Your support would be so meaningful to me and to the students it will benefit. Support my challenge by visiting [https://www.justgiving.com/campaign/ChancellorsChallenge](https://www.justgiving.com/campaign/ChancellorsChallenge) and click the ‘Donate’ button. Gifts will be matched by the university’s [Board of Governors’ Matching Fund](https://www.justgiving.com/campaign/ChancellorsChallenge), doubling the impact of your contribution.

Our goal for our 2022 Chancellor’s Challenge is $50,000. My personal fundraising goal is $XXX. You can help us reach our goals by getting involved! [You can sign up to participate in the run/walk](https://www.justgiving.com/campaign/ChancellorsChallenge), or you can sponsor me to show your support. Register on your own, join my team, or make a donation.

Together, we are making steps to ensure Ontario Tech students see the promise of their limitless future.

PS: An official receipt will be provided for tax purposes.
