Dear President Murphy:

As September approaches, numerous post-secondary students are looking forward to in-person learning opportunities at post-secondary institutions. Durham Region Health Department strongly supports all efforts to increase the uptake of COVID-19 vaccination.

We encourage everyone who is eligible to get vaccinated to protect themselves and others against variants of concerns, including the Delta variant which is circulating in Durham Region. It is important for everyone to get vaccinated at their earliest opportunity.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Kyle'.
