August Available for the month of August, 2026.	Class: Restore and Flow with Léon Landry Gentle mobility work paired with intentional breathing, to release tension and reset your body and mind.
September Available for the month of September, 2026.	Seminar: Optimizing Sleep for Energy and Success with Nathalie Lacombe The crucial role of sleep, in managing fatigue, stress and well-being is the focus of this seminar. Learn evidence-based strategies to optimize our sleep patterns and cultivate resilience in the face of demanding schedules. From understanding circadian rhythms to implementing sleep hygiene practices, this workshop provides the tools we need to improve the quality of our sleep and thrive both personally and professionally.
October Available for the month of October, 2026.	Seminar: Teamwork and Wellbeing in Every Workplace with Nathalie Lacombe Work environments are changing, but human needs remain the same: feeling good, connected to others, and engaged in one's work. This seminar focuses on what fosters teamwork and well-being, both individually and collectively, in every workplace environment. Through a practical approach, participants will discover ways to adapt their work methods to preserve their energy, foster positive relationships, and contribute to a motivating work environment every day.

- **Flexible:** Accessible 24/7, allowing all employees to learn at their own pace, with seminar handouts provided
- **Inclusive:** Content available in both English and French
- **Expert-Led:** Learn from Subject Matter Experts
