

Guide to Answering Behavioural Based Interview Questions

Behavioural Based Questions – A question which ask you to describe a specific past experience to predict future behaviour.

Consider what is called the **STAR Interview Response Technique** which is a four-step technique for answering questions about past behaviours at work.

Additional Tips for Responding to Behavioural Interview Questions

- Take a moment to think.
- Don't ramble, stick to the important points.
- Share on point examples that keep the interviewer engaged
- Demonstrate your strengths
- Quantify if you are able, what did you improve?
- Rehearse in advance.
