## HOUSING

Tecnológico de Monterrey – Campus San Luis Potosi offers the opportunity to live with a host family. The students would be able to experience the Mexican culture, improve their Spanish and enjoy Mexican life from a closer perspective.

The fee for living with a host family includes:

- Three meals per day
- Individual Bedroom
- Internet access
- Laundry facilities
- Cleaning two days per week

## HEALTH INSURANCE

It is the responsibility of the contracting university to make sure that all of their students are well covered while in Mexico. Students are requested to provide a copy of their insurance policy to the international office upon arrival.

## ORIENTATION SESSION

The International Programs Office offers important information about San Luis Potosi City, safety and security, academic information, getting around San Luis Potosi, cultural information, student life, campus services, etc., to help the students with rapid adaptation to life, culture and studying in Mexico.

## PROGRAM'S GENERAL COSTS
