

CURRICULUM AND PROGRAM REVIEW COMMITTEE

Report to Academic Council
at its meeting of October 21, 2014

FOR INFORMATION

The Committee notes for information the following:

- a) CPRC approved Hansa Language Centre and Renison University College scores as acceptable standards of language proficiency for consideration for admission to UOIT undergraduate programs. The committee requested a report on retention rates of students using these programs be provided in January 2017.
- b) The committee received for information a revised proposal from the Faculty of Science to establish a block transfer pathway with Durham College into the Computer Science program.
