

Proposed Academic Calendar Changes
Section 3.5.9 Second degrees

Proposed calendar change is noted in green font colour below.

3.5.9 Second degrees

A student holding a UOIT graduate degree may pursue a second degree in another discipline as long as the admission requirements of the program to which the student is applying are met. ~~Some credits earned to meet the requirements of the first degree may be applied to the second degree.~~

Rationale: Section 3.4.3 Transfer Credits was recently approved to include the following sentence. “Normally, transfer credits must not have been credited towards an acquired degree or other academic credential”. Therefore, removal of the above line is necessary to ensure consistency. As well, transfer credit information should only be noted in the transfer credit regulation.
