

Minor Program Adjustment Template

Faculty: Business and IT	Date: October 2016
Program: Operations Management Minor	
Undergraduate: <input checked="" type="checkbox"/>	Graduate: <input type="checkbox"/>

Minor Program Adjustments include: New required courses, Deletion of required courses, Other changes to degree requirements or program learning outcomes, New academic requirements or changes to existing requirements.

Motion: That CPRC approve the replacement of one minor elective course in the Operations Management minor.

Proposal Brief

Summary of the proposed change

Update the Networking IT & Security and Game Development & Entrepreneurship Operations Management minor elective courses:

Remove

BUSI 3930U Leadership, Negotiation, & Teamwork

Add

BUSI 3450U Business Forecasting Techniques

Description of the ways in which the proposed change will enhance the academic opportunities

Focus the electives more on Operations Management related courses.

Process of consultation with other units if the change(s) involves students, staff and faculty from other programs of courses

No impact on other units.

Transition Plan

None. However, should students currently in the minor wish to take the new course, a course substitution form will be used.

Analysis of the financial and enrolment implications

None

Proposed Implementation Date

This will take effect in 2017/2018.

Calendar Copy and Program Maps (highlight revisions to existing curriculum)
