

Minor Program Adjustment

Faculty: FBIT	Date: October 10, 2017
Program: Commerce	
Undergraduate: X	Graduate:

Minor Program Adjustments include: New required courses, Deletion of required courses, Other changes to degree requirements or program learning outcomes, New academic requirements or changes to existing requirements.

Motion: That CPRC approve a reduction in general elective courses in the Accounting Major to align with the other Majors in Commerce Program.

Proposal Brief

Summary of the proposed change-

To change the required number of general electives from 4 to 3 in the Accounting major.

Description of the ways in which the proposed change will enhance the program and/or opportunities for students. This will make it easier for students that are in the Accounting major to complete a minor and/or a double major. It will also align with the other Commerce majors which currently require only 3 general electives.

Process of consultation with other units if the change(s) involves students, staff, and/or faculty from other programs or courses

Analysis of financial and enrolment implications- n/a

Proposed Implementation Date- Effective Spring 2018

Transition Plan None, new cohorts begin in Spring term (in the Major) and complete the program.
