BACKGROUND/CONTEXT & RATIONALE:

The Faculty wishes to add INFR 4450U to the program in the choice of electives, remove INFR 4800U as a core and list it instead as an elective, and remove CSCI 4100U as an elective choice, being replaced by the new INFR 4450U course. The number of core courses drops from 5 to 4 and the electives increase from 1 to 2.
