

STUDENT SUCCESS INITIATIVE

- **Enhanced first-year learner supports** including increased student supports, new learning communities and increased peer support
- **Enhanced academic advising services** through comprehensive advisor training and utilization of an early warning system
- **Encourage university wide engagement in student success** initiatives through a new website, increased communication with students through slides at the beginning of classes and bi-annual open forums for staff and faculty
- **Showcase Student Success Innovation Fund** research and projects conducted by faculty and staff on student success
