Notes:

- Courses offered outside the normal teaching timeframe will have add/drop deadlines pro-rated accordingly. In such cases, faculties will advise students of appropriate deadline dates during the first meeting of the class.
- It is expected that students in a fee-per-credit program will register before the beginning of classes. If you register in a fee-per-credit course after the tuition payment deadline, your tuition fees are due immediately and you may be assessed a late payment fee. Visit gradstudies.ontariotechu.ca/tuitionandfees for a list of fee-per-credit programs.
- Deadlines related to the following can be found on the Graduate Studies website: application deadlines for admission to graduate programs; deadlines for the submission of projects and major papers; deadlines for the submission of theses/dissertations and defences; tuition refund deadlines for thesis completion during a term; and deadlines for scholarships, awards and bursaries.
- Spring/summer session courses in Education may run on a schedule that varies from the above. Consult the Faculty of Education's website for specific start and end dates.
