

## MEMORANDUM

**To:** Academic Council  
**From:** Faculty of Health Sciences  
**DATE:** October 16, 2023  
**SUBJECT:** Exception to Residency Requirement

---

In accordance with section 6.2 of the Graduation and Conferral of Degree Policy, the following item is being brought to Academic Council for information.

Due to exceptional circumstances the Dean of the Faculty of Health Sciences, Dr. Carol Rodgers has approved a reduction to the Residency Requirement for student   pursuing the Bachelor of Allied Health Sciences degree.

*6.2 In exceptional circumstances, with sufficient advance notice, or in the case of special agreements with other universities, a dean may reduce this requirement for undergraduate Degrees to 25 per cent. Such cases are reported to Academic Council for information.*

In this instance, the Dean has approved a reduction from the standard residency requirement of 50 percent to 40 per cent. Anticipated graduation is 2025.

Dean, Faculty of Health Sciences
