

GRADUATE STUDIES COMMITTEE

Report to Academic Council
at its meeting of January 17, 2012

FOR INFORMATION

1. Changes to courses and program requirements

The Committee notes for information the following changes that have been made to graduate courses and program requirements for implementation in 2011-12:

- a) Master of Science in Material Science - Change in language requirements for admission to program
- b) Master Information Technology Security: Addition of new core courses (MITS 5100, MITS 5600) and deletion of core course (MITS 5110) and one elective course requirement
- c) Master of Business Administration and combined MBA-MITS: Changes to program map to accommodate part-time students, and addition of new core course (MITS 5100) to the Technology Management Field in the MBA

2. Annual Reports of Faculty Councils for 2011

The Committee received and reviewed the annual reports from Faculty Councils summarizing graduate curricular changes made during the 2011 calendar year.
