

VISION, MISSION AND VALUES

Vision

With its foundation in technology, the sciences and professional practice, UOIT advances the discovery and application of knowledge that accelerates economic growth, regional development and social innovation and inspires graduates who will continue to make an impact on the world, as it is and as it will be.

Mission

- *Provide superior undergraduate and graduate programs that are technology-enriched and responsive to the needs of students and the evolving workplace*
- *Conduct research that creates knowledge, solves problems, results in economic and social innovation and engages students*
- *Facilitate life-long learning that is flexible, inclusive and emphasizes college university transfers*
- *Develop academic and research collaborations with industry and community that stimulate and enhance the region and university at home and abroad*
- *Cultivate a dynamic learning environment for students by promoting social engagement, fostering critical thinking and integrating experiences inside and outside the classroom*

Values

- *Integrity – We bring honesty and rigour to all that we do*
- *Innovative – We cultivate creativity, adaptability and flexibility in our students faculty and staff*
- *Passion – We bring commitment and energy in our pursuit of excellence*
- *Respect – We embrace inclusivity, equity and openness in all our dealings*
