Memorandum

TO: Members of Academic Council Executive

FROM: Victoria Choy, Registrar

RE: Motion to Confer Bachelor of Commerce Degree, Posthumously
June 2013 Convocation

DATE: May 7, 2013

The following motion is being put forward for approval by Academic Council:

That Academic Council authorize the granting of a degree posthumously at the University's convocation on June 7, 2013 to:

Timothy J. Smith

*Bachelor of Commerce
Awarded Posthumously*

Timothy J. Smith passed away tragically on Saturday, December 1, from injuries sustained in a car accident. Timothy was a student in the Faculty of Business and Information Technology and was in his fourth year of a Bachelor of Commerce program. He had successfully completed all but four credits necessary to meet degree requirements and was in clear standing. It is expected that the student would have successfully fulfilled all degree requirements. Conferral of a degree posthumously to Timothy J. Smith is strongly endorsed by the Dean and Faculty.
