Proposal:

To discontinue (freeze) offering the Concurrent B.Ed. courses, EDUC 2900U I/S Concurrent Field I, EDUC 2901U I/S Concurrent Field Experience II and EDUC 4902U I/S Concurrent Field Experience III to incoming students, effective Fall 2014. EDUC 2901U and EDUC 4902U will be made available to those registered prior to Fall 2014.

Justification:

Due to low enrollment, Ministry cuts in funding and financial constraints, the Faculty of Education we will be discontinuing (freezing) the offering of the existing model of the Concurrent B.Ed. program. The Faculty wishes to pursue a continuing partnership with the Faculties of Science and Health Sciences, whereby presentations and workshops will be provided to Science and Health Science students with a view to encouraging application to the Consecutive B.Ed. program upon successful completion of the student's Science and Health Science degree. Limited conditional offers will be made available to students wishing to pursue a B.Ed. degree in either Primary/Junior or Intermediate/Senior.
