

**COMMUNITY DEVELOPMENT AND POLICY STUDIES (CDPS):**

- a. **PROPOSED MINOR [APPROVED AT UCC OCTOBER 22, 2013;  
APPROVED AT FACULTY COUNCIL NOVEMBER 12, 2013]**

**Proposed Change: Community Development and Policy Studies (CDPS) underwent a major curriculum overhaul two years ago when the Community Development program was combined with the Public Policy program. At that time, we neglected to include an option to minor in the new combined CDPS program. We propose to correct that oversight and add a minor to the program offerings.**

**Rationale: All other FSSH programs currently offer a minor. CDPS should be in line with the other FSSH programs.**
