

Statement Issued by Academic Council Executive

It is the view of Academic Council Executive that anonymous communications are not acceptable. Academic Council Executive notes that it expects members of the UOIT academic community to raise and engage in the open discussion of matters of academic, educational and research policy in a respectful and responsible fashion. Academic Council Executive affirms that issues raised solely by way of anonymous communication will not be included for discussion on Academic Council agendas.

Academic Council Executive

Issued: January 7, 2014

Revised: February 5, 2014
