Faculty Response to the External Review for the _____ DEGREE NOMENCLATURE

Submitted By:

(Program Chair or Team Members)

Date

(DEAN)

Date

Introduction

Brief comments on the external reviewers report and the program review process in general.

Summary of Recommendations and Faculty Responses

- *Restate the recommendations summarized in the external reviewers' report and provide the Program's comments and responses*
- *The Dean should then provide summative comments/responses from an overarching Faculty perspective for each recommendation and program response*

Recommendation 1
State recommendation from ER report

Program's Response
Comment on the recommendation

Dean's response
Comment on the recommendation and program's response

Recommendation 2
State recommendation from ER report

Program's Response
Comment on the recommendation

Dean's response
Comment on the recommendation and program's response

Recommendation 3
State recommendation from ER report

Program's Response
Comment on the recommendation

Dean's response
Comment on the recommendation and program's response

Suggested Revisions for the Proposal following External Review

- *Program to list all suggested revisions to the proposal*
- *For each suggested revision, the Dean should include a comment indicating whether the revision will proceed. If the revision will not proceed, please indicate a rationale*
