

EQUITY

Myth:

Employment Equity is ‘reverse discrimination’.

Reality:

Employment Equity works to remove barriers faced by all employees and ensures everyone has equal employment opportunities.

DIVERSITY

Myth:

Diversity is simply bad business.

Reality:

Diversity deeply enriches our community, broadens an organization's vision and improves the bottom line.

INCLUSION

Myth:

Inclusion means everyone's equal participation without favoritism.

Reality:

Inclusion is about creating a university culture that strives for equity and embraces, respects, accepts, and values difference.
