

Hi student,

The Office of Campus Infrastructure and Sustainability is running a survey to see how much you know about sustainability!

The results will help us understand the campus community's level of literacy, culture and behaviour around sustainability, to inform future programming and resources.

Everyone who completes the survey will be entered into a draw for the chance to win a **\$25 gift card** to Hunter's Kitchen or Tim Horton's—your choice if selected.

The deadline to complete this survey is **Monday, September 25**.
