

# Immigration Document Checklist

## Required documents

- A valid passport and/or government-issued identification (travel document)
- Birth certificate
- Documentation for your family - If your family is joining you to Canada, ensure they have the right documentation before entering Canada
- Letter of Acceptance from Ontario Tech University (University of Ontario Institute of Technology)
- Letter of introduction - confirming your study permit was approved
- Proof of adequate funds for your stay in Canada. [Learn more about proof of financial support](#)
- [Temporary Resident visa](#) (also referred to as a Canadian entry visa) or [Electronic Travel Authorization \(eTA\)](#)
- The address of the place you will be staying (temporarily or permanently)
- Any other documents recommended by the visa office that processed your study [permit application](#)

## Suggested documents

- A list, in duplicate or digital copies, of all items you are bringing with you to Canada, including the approximate value of each item and serial numbers, where applicable
- Driver's license (especially if you intend on getting a Canadian license) and driving history
- Electronics
- Immunization record
- Marriage certificate and/or proof of common-law status (if applicable)
- Medical report - recommended in case you need them
- Prescription drugs, medication, and glasses (if applicable)
