

Student's Guide to Ontario Tech's Sexual Violence Policy

Disclosure

When you disclose to a trusted staff or faculty member, you can expect to:

- Be listened to and believed.
- Receive information about available supports.
- Be referred to a Support Worker, Case Manager or other supports.

Do I want to tell someone?

Support

When you seek support from a support worker, you can:

- Receive confidential support for wellness and healing.
- Receive accommodations through campus services.
- Be referred to other support services.
- Learn about reporting options.

Do I want help for my well-being?

Report

Through the case manager, you can:

- Initiate review of incident.
- Consider interim measures or accommodations.
- Explore informal and/or formal resolution pathways.
- Participate in investigation processes.
- Receive updates about safety.
