

Chemistry Study Hall

Students seeking chemistry help can attend course-specific virtual study halls. The following schedule outlines times students can drop-in to ask questions.

Questions will be answered in the order that students arrive. Students can ask questions or observe the review session.

Students must be logged into their ontariotechu.net accounts to enter the Virtual Study Hall in Google Meet. Only ontariotechu.net addresses are permitted to enter the room.

Chemistry Virtual Study Hall – Fall 2020

	Monday	Tuesday	Thursday
