

For Ontario Tech Students

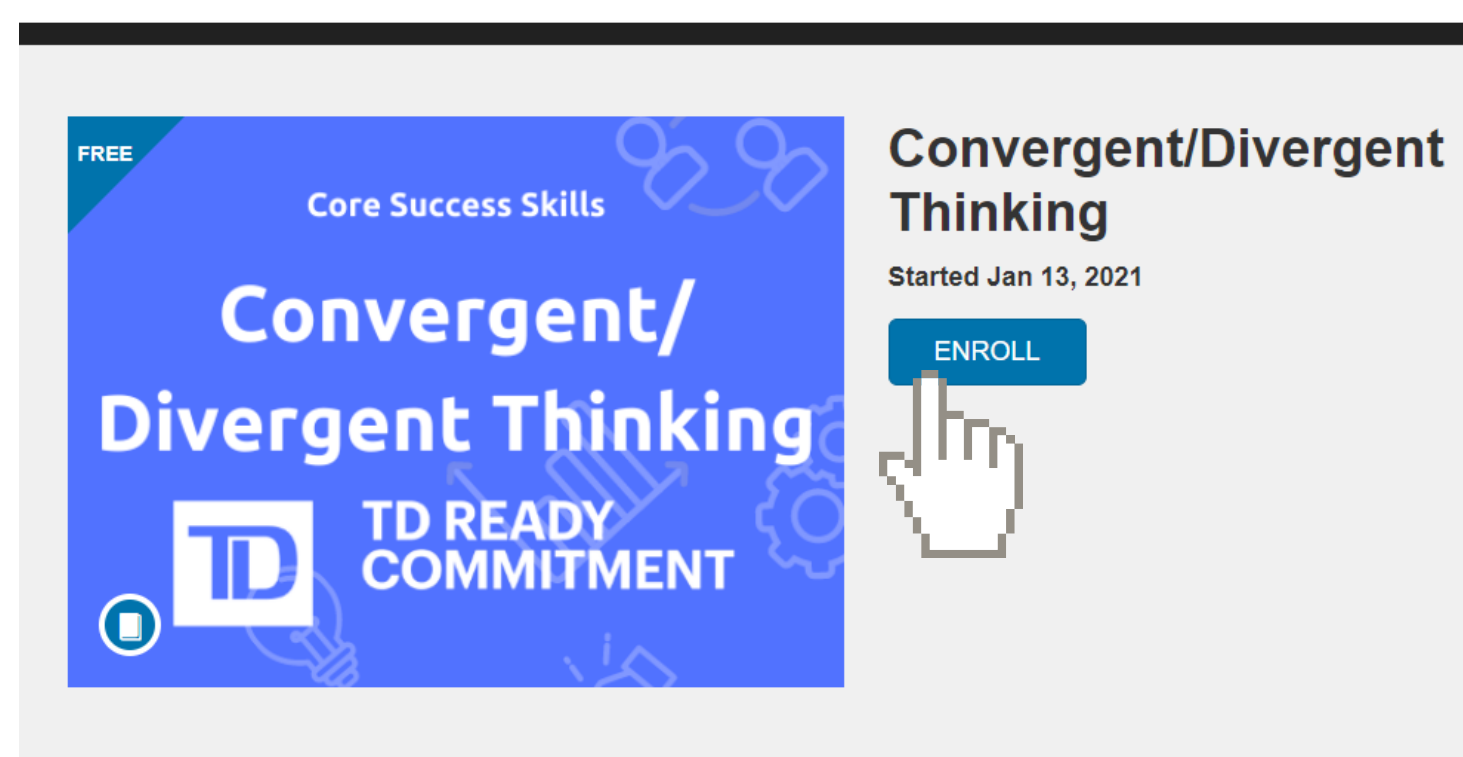

Enrolling in a micro-credential

Micro-credentials are small, flexible, competency-based learning opportunities that are validated by industry or community partners.

- 1 Go to catalog.ontariotechu.ca
- 2 In Categories, select **Microcredentials**

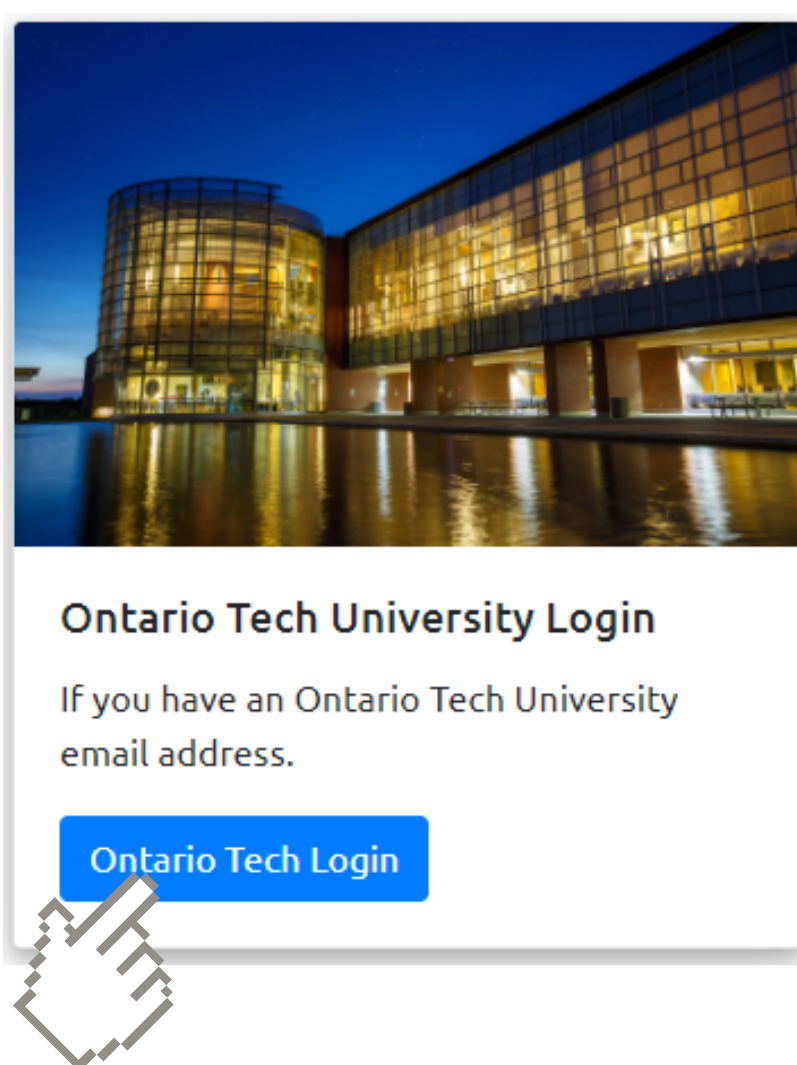

- 3 Click on your desired micro-credential, then click **ENROLL**

- 4 On the next screen, click **Sign In Here**

- 5 Click **Ontario Tech Login** and enter your **Student ID** and **network password**

If you cannot remember your Network Password, please email servicedesk@dc-uoit.ca for assistance

- 6 Your new micro-credential course will be shown in your **Canvas dashboard**

Help and Support

For technical assistance (not including password reset), please email canvasforstudents@ontariotechu.ca. For all other inquiries, please email microcredentials@ontariotechu.ca.
