***Please note:** as per [By-Law 2](#), elected Teaching Staff on Academic Council are Faculty, elected from among full-time continuing Associate Deans, tenured and tenure-track faculty and teaching faculty. For faculty specific Teaching Staff representative positions, only members from within the designated faculty may stand for election or nominate a candidate for a position.

****Please note:** as per [By-Law 2](#), elected Students on Academic Council are Students, elected from among their respective constituencies. For undergraduate-specific Student representative positions, only members from within the undergraduate student population may stand for election or nominate a candidate for an undergraduate position. For graduate-specific Student representative positions, only members from within the graduate student population may stand for election or nominate a candidate for a graduate position. Students must be full-time registered students in good academic standing to be a candidate for election and to nominate a candidate.
