

Position statement

Board of Governors Teaching Faculty Representative Candidate:

Dr. Hannah Scott.

I look forward to serving as faculty representative on the Board of Governors, bringing a wealth of experience to this position. I am a founding member of this university and Full Professor, founding Director of the Centre for Evaluation and Survey Research (CESR@UOIT), former Undergraduate Program Director for Criminology, and have taken an active role with Academic Council (AC), having served for more than half of the years it has been in operation. I am familiar with rules of governance, and the UOIT Act, having worked with these documents on the AC Governance Committee and in my capacity in various roles within the Faculty Association. I understand the importance of community and government involvement in university governance, and hope to be an effective faculty representative on this Board.

Sincerely,

Dr. Hannah Scott, Professor
