

Jemma Tam - Candidate Statement

I am running for Student Governor on the Board of Governors at Ontario Tech because as a passionate advocate for student rights, I am committed to voicing and driving positive change within our institution. Throughout my academic journey, I have demonstrated strong leadership, and work ethic, dedication to serving the student body through advocacy. My involvement in mental health, OTSU Project Administrator Advocacy, and attending OUSA has allowed me to address issues like international student support, gender-based and sexual violence prevention, and combating racism. I am dedicated to enhancing student experience by promoting diversity and inclusion.
