

Krystina Clarke Candidate Statement:

As a dedicated Ph.D. Candidate with a proven track record of academic excellence and leadership through my 8+ years as an OTU student, and extensive experience through RAing and TAing, I possess a deep understanding of the student academic landscape and challenges. I am committed to representing the interests of my peers by currently serving on the FHSc Faculty Council and Graduate Program Committee, advocating for policies that enhance the student experience and fostering a supportive academic community. I seek a position on the Board of Governors to amplify this work, ensuring a brighter future for all OTU students.
