Explanation of Electives

General Elective: A course outside of business and IT. For example – PSYC 1000U – Introduction to Psychology or SCIE 1920U – Introduction to Astronomy. The course may not start with BUSI or INFR.

Business Elective: A course in business, ***but outside of your major***. For example – BUSI 1700U – Introduction to Entrepreneurship or BUSI 2000U – Collaborative Leadership. Students require a minimum of two BUSI electives.

Remember, it is your responsibility to ensure that you are aware of and have met the necessary degree requirements of both the program and the respective major. Please be sure to contact your academic advisor if you have any questions regarding your course selection. If you do not know who your advisor is, please email FBITadvising@uoit.ca to find out.
