UNIVERSITY OF ONTARIO INSTITUTE OF TECHNOLOGY

TEACHING AND LEARNING WITH eLEARNING
AQ COURSE WINTER 2019

Teaching and Learning with eLearning, the UOIT AQ course for teachers, is offered online this winter. This is an opportunity for you to explore online and blended education at all levels, to share ideas, thoughts and questions within a collaborative community and to model techniques that you will use as you design and develop your own online content.

AQ | Teaching and Learning with eLearning

WHEN	January 7 to March 8
WHERE	Completely Online
COST	$600 plus $75 registration
INSTRUCTOR	Dan Strutt, Director, eLearning Consortium Canada

Unit 1	Theories, Policies and Standards in Online Education
Unit 2	Tools for eLearning
Unit 3	Instructional Design and Content Development
Unit 4	The Future of eLearning

Register at education.uoit.ca. Follow the Professional Learning and AQ links.

For further information, contact Dan Strutt at daniel.strutt@uoit.ca or 519 694 9639.

"Honestly, this is my sixth online AQ/ABQ course and it was by far the most useful."
