

Graduate Studies: Non-Standard Applicant Statement of Intent

Note that a non-standard applicant:

- Has a GPA of less than 3.0 (B, or 75%), and/or
- Does not have a 3- or 4-year university degree.

Applicant Name: [Insert Name]

Date: [Insert Date]

How did you learn about Ontario Tech's Master of Education program?

Briefly explain how you learned about our program.

Experience

Provide a detailed description of your relevant experience (e.g., teaching, e-learning, health, administration, leadership) and include how many years of experience you have in the specific areas relevant to you.

Strengths / Skills

Describe your relevant strengths/skills in detail.

Why Ontario Tech?

Explain why Ontario Tech is a good fit for you, and how it meets your needs.

Relevant Courses

Which courses are you interested in taking? ([Available Courses](#))

Note Bene:

- As a non-standard applicant, if accepted, you will start in our Graduate Diploma program.
- After completing two courses with a B+ or higher average, you can transfer (free) to the Master of Education (MEd) program.
- You will be given full credit for the first two courses taken in the Graduate Diploma toward your MEd degree.

Remember:

- Please check your document with [Grammarly](#) or a critical friend to ensure that it is clear and well-written.
- Save the final Statement of Intent as a .PDF before uploading it to the applications portal.
