

Bachelor of Science (Honours) Requirements

To graduate with your BSc Honours from the Faculty of Social Science and Humanities (FSSH) the following criteria must be met:

- Successfully complete 120 credit hours
- Achieve a minimum 2.0 cumulative GPA
- Complete all major requirements as outlined for your major (as per the [academic calendar](#) and program map below)
- Complete at least 36 credit hours (12 courses) at the senior level (3000 or 4000 level)
- Complete no more than 42 credit hours (14 courses) at the 1000-level
- Complete at least 18 credit hours (6 courses) outside of your major, 9 credit hours of which are not at the 1000 level.

Key Progression Courses: We strongly encourage students to complete courses in the order/year they are listed where possible. Failure to do so may lead to unexpected delays in the completion of your degree requirements due to prerequisites. Key progression courses for your program include:

Year 1: PSYC 1000U Introductory Psychology, BIOL 1010U Biology I, CHEM 1010U Chemistry I, PHY 1030U Introductory Physics

Year 2: PSYC 2900U Research Methods in Psychology, PSYC 2910U Data Analysis in Psychology

Elective Definitions:

General Elective: any course that is not mandatory for your program to which you have the prerequisites and meet any restrictions on that course – courses from inside or outside FSSH can satisfy this requirement.

Science Elective: Any non-required course in the Faculty of Science that does not have a PSYC designation.

Psychology Elective: Any non-required PSYC course with a 3000- or 4000-level designation.

Important Notes:

This program map helps you to track your degree progression during your studies at Ontario Tech and can be used as your guide for course selection and planning. Your Academic Advisor can assist you with reviewing and interpreting your degree requirements, we encourage you to meet with your Academic Advisor at least once throughout your studies to ensure you are on track to complete your program as expected. Please ensure your familiarity with the degree requirements in the Academic Calendar and review your transcript to verify accuracy.

Specializations:

There are two specialization options that students can pursue, these requirements can be found in the [academic calendar](#). Students must plan accordingly for prerequisites and may need special permission to register for courses outside of the Faculty.

- 1) Developmental Psychological Science:
- 2) Affective Science and Mental Health
