

PSYCHOLOGY (BA) ADVANCED ENTRY

Bachelor of Arts BA (Honours) Requirements

To graduate with your BA Honours from the Faculty of Social Science and Humanities (FSSH) the following criteria must be met:

- Successfully complete 120 credit hours (including transfer credit hours)
- Achieve a minimum 2.0 cumulative GPA
- Complete all major requirements as outlined for your major (as per the [academic calendar](#) and program map below)

Transfer Credits: Advanced Entry students receive specific transfer credits. To avoid duplication, please view your transfer credits on your [MyOntarioTech](#) unofficial transcript (under Student Records) before choosing your elective courses.

Key Progression Courses: We strongly encourage students to complete courses in the order/year they are listed where possible. Failure to do so may lead to unexpected delays in the completion of your degree requirements due to prerequisites. Key progression courses for your program include:

Year 3: BIOL 1841U Essentials of Biology, PSYC 1000U Intro Psychology, SSCI 2900U Research Methods/PSYC 2900U Research Methods in Psychology and SSCI 2910 Data Analysis/PSYC 2910U Data Analysis in Psychology

Experiential Learning: Students with fourth year standing and a cumulative GPA of 3.0 or higher are eligible to participate in a semester-long work experience through a practicum (SSCI 4098U) or internship (SSCI 4103U). Pre-placement requirements will begin in the winter of third year, please refer to the [FSSH Experiential Learning Office](#) for more information.

Elective Definitions:

FSSH Elective– any non-required course offered by FSSH from the following subject codes: COMM, CRMN, FPSY, INDG, LBAT, POSC and SSCI.

Psychology Elective: Any non-required PSYC course with a 3000- or 4000-level designation. A maximum of two FPSY (forensic Psychology) courses can count towards the Psychology Elective requirements.

Important Notes:

This program map helps you to track your degree progression during your studies at Ontario Tech and can be used as your guide for course selection and planning. Your Academic Advisor can assist you with reviewing and interpreting your degree requirements, we encourage you to meet with your Academic Advisor at least once throughout your studies to ensure you are on track to complete your program as expected. Please ensure your familiarity with the degree requirements in the Academic Calendar and review your transcript to verify accuracy.
