B. *RESEARCH*

6. **(i)** **CURRENT RESEARCH INTERESTS**:

Legal and Policy responses to problematic online, digital, and artificial intelligence enabled activities, behaviours, business models and organizational structures; privacy; protection of consumers and especially vulnerable populations in complex information environments; safeguarding older people's autonomy, privacy, and collective interests in relation to social support technologies; co-designing public engagement strategies regarding controversial policing technologies; intellectual property (trade-mark and copyright); personality rights; Internet and ICT user safety education.

(ii) **RESEARCH FUNDING AND AWARDS**

Social Science and Humanities Research Council, Insight Grant, 2025-2028. $206,333. "Consensual and Non-Consensual Sexting among Youth: Perspectives of Parents/Caregivers". Role: Co-Applicant. Principal Investigator is Faye Mishna (University of Toronto, Social Work) with co-applicants Wendy Craig (Queen's University, Psychology) Lin Fang (University of Toronto, Social Work), and Debra Peplar (York University, Psychology).

Social Science and Humanities Research Council, Insight Grant, 2024-2028. $152,522. "Augmented humans, AI, and Digital Life". Role: Co-applicant, with Principal Investigator Dr. Isabel Pedersen (Ontario Tech). I co-lead, with Dr. Pedersen, the subproject on Companionship, AI, and Older Digital Lives.

Social Science and Humanities Research Council, Partnership Development Grant, 2021-2024. $200,000. "Devising and Testing Public Engagement Models to Shape Guidelines for Potential Use of Facial Recognition Technologies by Police". Role: Principal Investigator, with co-applicants Christopher O'Connor (Ontario Tech), Lisa M. Austin (University of Toronto), and Brenda McPhail (CCLA). Partnership with Canadian Civil Liberties Association, Cobourg Police Service, and Northumberland Business Development Assistance Corp. (Policetech Accelerator).

Social Science and Humanities Research Council, Insight Development Grant, 2019-2022. $70,866. "Gathering Input From Seniors On Legal And Ethical Issues Related to Use of Social Robots For In-home Support". Role: Principal Investigator, with co-applicants Dr. Isabel Pedersen (Ontario Tech University), Dr. Patrick Hung (Ontario Tech University), and Dr. Barbara Marshall (Trent University), and collaborators Jane Bailey (University of Ottawa), Valerie Steeves (University of Ottawa), and Kirsten Ellison (Trent University).

Social Science and Humanities Research Council, Insight Grant, 2019-2022 (deferred to 2021-2024). $151,780. "Consensual and Non-Consensual Sexting in Adolescence: Challenging Conventional Wisdom". Role: Co-Applicant, with Principal Investigator Dr. Faye Mishna (University of Toronto), and co-Applicants Dr. Debra Pepler (York University), Dr. Rachelle Ashcroft (University of Toronto), and Dr. Wendy Craig (Queen's University).

Office of the Privacy Commissioner of Canada, Contributions Program, 2019-2020. $50,000. "Involving Seniors and Caregivers in Developing Privacy Best Practices: Toward Responsible Development of Social Support Technologies for Seniors". Role: Principal

Investigator, with co-applicants Dr. Isabel Pedersen (Ontario Tech University) and Dr. Patrick Hung (Ontario Tech University).

Social Science and Humanities Research Council, Partnership Development Grant, 2015-2017. $142,707. "Child Sexual Abuse Images Online: Identifying and Addressing Knowledge Gaps and Multilevel Barriers to Cross-Sectoral Responses". Role: Co-applicant (Co-Principal Investigator with Dr. Jennifer Martin, Toronto Metropolitan University).

Social Science and Humanities Research Council, Connections Grant, 2014. $16,840. "Child Sexual Abuse Images Online: Confronting the Problem - Research, Policy, Practice". Role: Co-applicant with Dr. Jennifer Martin, Toronto Metropolitan University.

Office of the Privacy Commissioner of Canada, Contributions Program 2012-2013. $16,100 grant for "Privacy and Civic Duty: The Legitimate Scope of Voluntary Information Sharing by Private Enterprises in Law Enforcement Investigations into Cybercrime". Role: Principal Investigator.

Social Science and Humanities Research Council, Community-University Research Alliance (CURA), Letter of Intent phase -- $20,000 grant to develop full proposal for project entitled "Promoting Cyber Risk Reduction for Children and Youth through Community Partnerships", Collaborator. Principal Investigator Faye Mishna, Faculty of Social Work, University of Toronto. 2008-2009. Role: Collaborator.

Public Safety Canada, Contributions Program 2008-2009 -- $96,126 grant for project entitled "Child Sexual Exploitation, Technology and Crime Prevention Education: Keeping Pace With The Risks?" Grant to Centre for Innovation Law and Policy. Role: Sole researcher and author of report submitted in August, 2009.

Office of the Privacy Commissioner, Contributions Program, 2007-2008. Principle investigator. $50,000 grant for project entitled "Personal Information Protection in the Face of Crime and Terror: Information Sharing by Private Enterprises for National Security and Law Enforcement Purposes." Report submitted March, 2008. Grant to Centre for Innovation Law and Policy. Role: Supervisor of student researchers and co-author of report.

Department of Justice, Youth Policy Section, Contract for Online Hate Report, 2006-2007 – $25,000 contract for research and report entitled "Combatting Hate on the Internet: Current Canadian Efforts and the Recommendations of Non-Governmental Organizations to Improve upon Them", submitted August, 2007. Role: Primary investigator and author of report.

Andrea Slane, "Anne of Green Gable in Japan: Merchandising a Cultural Icon", Intellectual Property Week, University of Toronto, Faculty of Law, March 12, 2007.

Andrea Slane, invited speaker. "Tales, Techs and Territories: Legal Technologies and the Figure of Borderlessness in Internet Cases with Foreign Elements", Innovation Law and Theory Workshop, University of Toronto, Faculty of Law, March 29, 2007.

Richard Owens and Andrea Slane, invited speakers. "Safe-computing: evolving policies on hate speech and child exploitation on the Internet", Toronto Computer Lawyers' Group, December 11, 2006.

Andrea Slane, invited speaker. "All that is Solid Melts into Bits: Desire and Anxiety in Legal Images of a Borderless Internet", Re-thinking the Private in Private International Law, Cornell University Law School, Ithaca, New York, April 7-8, 2006.

Andrea Slane, invited speaker. "Content Control Regimes: Local Measures, International Challenges", Computer Law Association 2nd International Asian Conference, Bangalore, India, February 2-3, 2006.

Andrea Slane, invited speaker. "Hate Speech, Emerging Communications Technologies and Acceptable Use Policies", Hate on the Internet Conference, hosted by the Canadian Human Rights Commission and Canadian Studies Association, Ottawa, December 15-16, 2005.

Andrea Slane, "Legal Parameters of Cooperation between Internet Service Providers and Law Enforcement in Canada", Symposium on Online Child Exploitation, Centre for Innovation Law and Policy, University of Toronto, Toronto, May 2, 2005.

Andrea Slane, invited speaker. "Email Spam", Innovation Law and Policy Colloquium, University of Toronto, April, 2004.

12. Editorial positions for scholarly journals (none)

D. TEACHING ACTIVITIES

13. Indicate in each case whether you had major responsibility for design of course.

(i) Undergraduate courses taught:

Cultural Studies of Law (LGLS3240u): Upper year course that fulfills an interdisciplinary requirement in the Legal Studies program: major design responsibility. Fall 2024 (online: hybrid sync/async).

Communication Law and Policy (LGLS 4010u): 4th year course that fulfills requirement in the Legal Studies Program: major design responsibility. Winter 2013 (in-person); Fall 2014 (in-person); Winter 2021 (online: hybrid sync/async); Winter 2024 (online: hybrid sync/async).

Legal Studies Integrating Project (LGLS 4099u): 4th year course that fulfills requirement in the Legal Studies Program: major design responsibility. Winter 2013(in-person); Fall 2013(in-person); Fall 2017; Fall 2018; Fall 2019; Fall 2020 (online: hybrid sync/async)

Law and Technology (LGLS 3520u): Upper year course that fulfills interdisciplinary requirement in Legal Studies Program; major design responsibility. Fall 2011; Fall 2013; Winter 2015; Winter 2017 (hybrid: in-person/async); Winter 2018 (hybrid: in-person/async); Winter 2019 (hybrid: in-person/async); Winter 2021 (online: hybrid sync/async); Winter 2022 (online: hybrid sync/async); Winter 2024 (online: hybrid sync/async); Winter 2025 (online: hybrid sync/async).

Censorship and Freedom of Expression (LGLS 3510U): Upper year course in the Information Law Specialization: Fall 2020 (online: hybrid sync/async).

Information and Privacy Law (LGLS 2400u): 2nd year course that fulfills a requirement in the Legal Studies Program; major design responsibility. Fall 2010; Winter 2014; Winter 2015; Winter 2017 (hybrid: in-person/async); Winter 2018 (hybrid: in-person/async); Winter 2019 (hybrid: in-person/async); Winter 2022 (online: hybrid sync/async).

Legal Theory (LGLS 2200u): 2nd year requirement in the Legal Studies Program; major design responsibility.   Winter 2010; Winter 2011.

Legal Research Methods (LGLS 2940u): 2nd year requirement in the Legal Studies Program; major design responsibility.   Winter 2010; Winter 2011.

Public Law (LGLS 2100u): 2nd year requirement in the Legal Studies Program; major design responsibility.   Fall 2009.

(ii) Graduate/Professional Degree courses taught:

Information, Power and Democracy (MSPI5060G), Ontario Tech University. New course - full design and content responsibility. Winter 2025.

Law of Confidential Information, Privacy and Cybersecurity Law Professional LLM program, Osgoode Hall Law School, York University. New course - full design and content responsibility. Fall 2019; Fall 2021; Fall 2023.

Legal Values: Challenges in Intellectual Property: Eight week course fulfilling "Perspectives" requirement in LLB/JD program at Osgoode Hall Law School. Basic design pre-existing, but major responsibility for content. Winter 2009.

Innovation Law and Theory Colloquium: Upper year elective in the LLB/JD program, also open to LLM students at University of Toronto Faculty of Law; major design and content responsibility (shared, as the course was co-taught with Prof. Abraham Drassinower). Fall 2007.

(iii)   Theses/Projects supervised.

Master's Students:

Master of Arts in Social Practice and Innovation (MSPI) Interdisciplinary Advisor: Triona Greaves, Ontario Tech University, "Voices Unheard: Mapping gaps in social support services for unhoused youth in the Greater Toronto Area." Degree granted: 2025.

Master of Arts in Social Practice and Innovation (MSPI) Interdisciplinary Advisor: Shaun McLeod, Ontario Tech University, "Pierre Poilievre's X: A Study of the Main Streaming of Far-Right Dog Whistles." Degree granted: 2025.

Master of Arts in Social Practice and Innovation (MSPI) Interdisciplinary Advisor: Joseph Young, "Shades of Green: An Analysis of Environmental Politics in Durham Region", Ontario Tech University. Degree granted: 2025.

LLM External Examiner: Jasmine Madaan, Osgoode Hall Law School, Research LLM program, York University, "AI-based Assistive Technologies & People With Disabilities: Privacy At Risk". Degree granted: 2024.

LLM Major Research Paper supervisor: Margaret McKay, Osgoode Hall Law School Professional LLM program in Privacy and Cyber-security, York University. "Foreseeability and Intention: The privacy challenge of new analytical technologies". Degree granted: 2023.

LLM Major Research Paper supervisor: John Sedrak, Osgoode Hall Law School Professional LLM Program In Privacy And Cyber-Security, York University. "A Chain Reaction! Solving Privacy and Security Concerns in a Smart City through a Universal Data Trust and Blockchain". Degree Granted: 2023.

LLM Major Research Paper supervisor: Sophia Siyad, Osgoode Hall Law School Professional LLM program in Privacy and Cyber-security, York University. "Blockchain Technology and Data Trust: Regulators and industry working together to combat cyber-attacks in the Financial Sector". Degree granted: 2022.

LLM Major Research Paper supervisor: Titi Akinsanme, Osgoode Hall Law School Professional LLM program in Privacy and Cyber-security, York University. "Privacy Law in a data-driven Digital Economy: The case for trust in fiduciary information relationships". Degree granted: 2020.

Honours Thesis Supervisor: Jessica England, B.A. (Honours) Legal Studies, Ontario Tech University. "Credit Card Fraud in Canada: The Struggle for Consumers to Manage Their 'Data Double'". 2011-2012.

Honours Thesis Supervisor: Christine Quinlan, B.A. (Honours) Legal Studies, Ontario Tech University. "Bill C-30: Another Lawful Access Trample of Privacy Rights, or a Justified Approach to Preventing Online Child Exploitation?" 2011-2012.

(iv)   Other teaching

Professional Degree Students:

J.D. Directed Research project: Jamie Greenberg, Osgoode Hall Law School, York University. "Equitable Remuneration and Regulation? Broadcasting and the Internet in a Canadian Context". Winter 2009.

Student Research Opportunities

SSHRC funded Partnership Development project "Devising and Testing Public Engagement Models to Shape Guidelines for Potential Use of Facial Recognition Technologies by Police". Employed a PhD student from the Criminology and Social Justice Program as a full time RA Summer 2021, 2021-2022, Summer 2022, 2022-23, and Summer 2023; Employed a second PhD student from the Criminology and Social Justice Program part time 2021-2022, Summer 2022, 2022-23, Summer 2023, 2023-24, and Summer 2024; Employed a JD student from University of Toronto School of Law part time Summer 2021 and 2021-2022, a second JD student from the University of Toronto part time for Summer 2022 and 2022-23.

SSHRC funded Insight Development project "Gathering Input From Seniors On Legal And Ethical Issues Related to Use of Social Robots For In-home Support" employed a PhD student from the Criminology and Social Justice Program as a full time RA for 2019-2020, Summer 2020, 2020-2021, Summer 2021, and 2021-22 academic year. Employed a second PhD student from the Criminology and Social Justice Program part time Winter 2022.

Office of the Privacy Commissioner of Canada, Contributions Program 2019-2020, for project entitled "Involving Seniors and Caregivers in Developing Privacy Best Practices: Toward Responsible Development of Social Support Technologies for Seniors". This project has employed two PhD students from Ontario Tech (one from Criminology and Social Justice; one from Forensic Psychology) and one JD student from McGill University as research assistants; also hosted one undergraduate MITACS student from Germany for the summer, also contributing as a research assistant.

SSHRC funded Ontario Tech University graduate student Research Assistant on "Child Sexual Abuse Images Online: Identifying and Addressing Knowledge Gaps and Multilevel Barriers to Cross-Sectoral Responses". Employed two further research assistants via Toronto Metropolitan. One practicum student, via Toronto Metropolitan University. September 2015-December 2016.

Ontario Tech University, Start up Research Funds – employed one undergraduate project assistant to help me code court documents for a project on cyberbullying, 2013-2014.

Office of the Privacy Commissioner of Canada, Contributions Program 2012-2013. I employed two undergraduate research assistants in the Summer of 2012 for my project entitled "Privacy and Civic Duty: The Legitimate Scope of Voluntary Information Sharing by Private Enterprises in Law Enforcement Investigations into Cybercrime."

Ontario Tech University, Start up Research funds – I employed one graduate and one undergraduate research assistant full time, Summer 2011, to work on the research for my publications and book proposal.

Contribution Program to Combat Child Sexual Exploitation (CPCCSE) – Public Safety Canada: While at the Centre for Innovation Law and Policy, I employed and supervised two research assistants (one a JD student, one an LLM student) doing research for the policy report entitled "Child Sexual Exploitation, Technology and Crime Prevention Education: Keeping Pace with the Risks?" 2008-2009.

Centre for Innovation Law and Policy, Institute for the Study of Law Technology and Culture, Interdisciplinary Graduate Student Workshop: ran workshop which provided opportunities to present and receive feedback on work in progress for graduate students at the University of Toronto in any discipline working on a masters or doctoral thesis related to the intersection of law, technology and culture. 2007-2008.

Centre for Innovation Law and Policy, Office of the Privacy Commissioner Contributions Program Project: employed four research assistants (J.D. students) full time in the Summer of 2007, wherein each student drafted a portion of the final research paper under my supervision. The project culminated in a roundtable discussion held on March 27, 2008, featuring the four students talking about the four industries they researched (Telecommunications, Retail, Banks, and Airlines), followed by four legal practitioners speaking about topics related to these same four industries.

Pro Bono Students Canada, Digital Copyright Project: Supervised five JD students on a project which aimed to chart the claims to the "public interest" in the current copyright reform debates. 2007-2008.

Pro Bono Students Canada, Online Youth Privacy and Expression Rights Project: Supervised four JD students on a project providing support to a team of interdisciplinary professionals developing a resource for grade 4-6 students to help teach online risk reduction and problem solving skills. 2007-2008.

E. SERVICE AND ADMINISTRATIVE POSITIONS

14. (i) University Service

Graduate Program Director, Master of Arts in Social Practice and Innovation, Ontario Tech University (2024-present)

Associate Dean, Research and Graduate Programs, Faculty of Social Science and Humanities, Ontario Tech University (2017-2021).

Assistant Dean, Undergraduate Curriculum and Program Reviews, Faculty of Social Science and Humanities, Ontario Tech University (2013-2015).

Ontario Tech University Board of Governors, elected Teaching Representative (2012-2015).

Undergraduate Program Director, Legal Studies Program, Faculty of Social Science and Humanities, Ontario Tech Universityb (2012-2015).

Curriculum and Program Review Committee, Academic Council, Social Science and Humanities Representative (2010-2015).

Ontario Tech University Faculty Association, Senior Grievance Officer (2010-2012).

Digital Life Research Group, Founding Member (2010-present).

Faculty of Social Science and Humanities, Curriculum Committee (2009-2015; Chair 2011-2015).

(ii)   Professional Service (include major consultancies)

Expert consultant, with Jennifer Martin (Toronto Metropolitan University). Contract to write a report for Department of Justice Canada, "Understanding the Impact of the Internet Child Exploitation (ICE) Counselling Program in Ontario". Project completed January 2022.

Expert consultant, Gelder, Gingras & Associates on Public Safety Canada project ""Examining Key Populations in the Context of Implementing Cyberbullying Prevention and Intervention Initiatives" 2021.

Expert consultant, "Gap Analysis of Services for Victims and Survivors of Online Child Sexual Exploitation in Canada", contract with Department of Justice Canada, $23,000, with Dr. Jennifer Martin, Toronto Metropolitan University. April 2019-August 2019.

Founding faculty member developing a new LLM Program in Privacy and Cybersecurity Law, Osgoode Hall Law School, York University. Program launched Winter 2019.

Expert consultant, revising Resource Manual "Making a Difference: The Community Responds to Child Abuse", eighth edition for BOOST Child & Youth Advocacy Centre. Adding and updating content on online child sexual abuse. July 2017-March 2018.

Invited participant. Roundtable Discussion regarding the issue of access to Basic Subscriber Information (BSI) and the impact of the Supreme Court of Canada's Decision in *R. v. Spencer* by the Federal/Provincial/Territorial (FPT) Coordinating Committee of Senior Officials – Criminal Justice (CCSO) Cybercrime Working Group (CWG), March 27, 2017, Toronto.

Expert consultant, Gelder, Gingras & Associates on Public Safety Canada project "Evaluation of a Cyberbullying Prevention/Intervention Initiative", 2016-2017.

Expert, contract to assess International Justice Mission's Aftercare Successful Outcomes (ASO) Validation Project, reviewing their Desk Review Guide, ASO Internal Validation Study Report, ASO Guidance Manual, and relevant form with regard to how well their materials address victims of online child exploitation. Report submitted November 2016, jointly with Dr. Jennifer Martin.

Expert, hired by Crown in *R. v. Zhou* regarding constitutional challenge to application of child pornography offences to sexting. April-May, 2016.

Expert, invited to testify for Senate Committee Hearing on Bill C-13 (*Protecting Canadians from Online Crime Act*), Ottawa, November 19, 2014.

Research Partner, PREVNet (Promoting Relationships and Eliminating Violence), Network Centre of Excellence, 2009-present. Most recent activity: Working Group creating a cyber-bullying education module for parents, January 23, 2015; workshop to discuss revision of the resource July, 2016.

External examiner on contributions grant selection process, Office of the Privacy Commissioner of Canada. Served three times so far: March 2013, February 2015, March 2018.

Expert consultant, invited by MP Geoff Regan to draft a bill proposing reform of the official marks regime set out in the Trade-marks Act. Bill drafted with Dr. Teresa Scassa (University of Ottawa), the major substance of which Mr. Regan tabled as a private members bill (C-611, *An Act to Amend the Trade-marks Act (public authority)*) on June 9, 2014.

Expert consultant, invited to meet with the Law Reform Committee of the Parliament of Victoria (Australia).   The Law Reform Committee is a multi-party committee tasked by the Parliament of Victoria to address specific issues, in this case "Sexting". Australian Embassy in Toronto, October 29, 2012

Program Reviewer, Media Awareness Network, Diversity Resources, 2011.

Member, Promote Positive Social Networking Among Durham Youth Committee, 2011.

Curriculum Reviewer, Ontario Physical and Health Education Association (OPHEA): Reviewed proposed new Grade 2 unit on Self-Advocacy within the "Healthy Living: Personal Safety and Injury Prevention" Ontario health curriculum. Spring 2010.

Member, Advisory Committee, Student-to-Student Sexual Assault School Staff Support Manual Resource Development Project, Ontario Physical and Health Education Association and Ontario Ministry of Education, 2009.

Research Affiliate, Intellectual Property Law and Technology Program, Osgoode Hall Law School, York University (2008-present).
