

A supervisory committee for a graduate student in a program requiring a thesis consists of the candidate's research supervisor(s) and at least one other Ontario Tech University graduate faculty member (master's level student) or two other graduate faculty members (doctoral candidate). The committee's chair may be someone other than the student's research supervisor. See **Section 6** in the **Graduate Student Supervisory Committee Policy** for further information. This form is normally completed no later than the end of the student's second semester for a full-time student.
