

PhD CE and Master's Transfer DEADLINES 2019-2020

Each student in a doctoral program is required to prepare a written research proposal and pass a candidacy exam. Full-time students are normally expected to do this within 18 months of their initial registration. This document provides deadlines within a given term for documentation to be submitted in order to complete the PhD Candidacy Exam.

Please note that students transferring from a Master's to a PhD must strictly adhere to these deadlines, so if successful, they can officially apply to the PhD program for the next applicable term. More details on these processes can be found on the [Graduate Studies Website](#).
