

Grad Ready: Welcome to SGPS

Pre-Orientation Session #1

What is the School of Graduate and Postdoctoral Studies (SGPS)?

- We are located in the Software and Informatics Research Centre (SIRC) on our North campus.
- We oversee graduate students across all Faculties.
- We bring students, faculty, and staff together.
- We host community and networking events and are responsible for graduate policies.

Your Support Network & Contact Points

All About Pre-Orientation

Key information from SGPS and campus partners will be shared to **support your transition into graduate studies**. You are invited to **come and ask questions** and get assistance. Registration is available on the Grad Engagement page under Pre-Orientation.
