

Eligibility and Supervisor Consent Form

I, _____, have registered to participate in Graduate Writing event, June 9 & 10, 2026 from 9 a.m. to 4 p.m.

This event is two days. It is organized by the School of Graduate and Postdoctoral Studies (SGPS) and Student Learning Support (SLS) for graduate students who have completed some research/writing/project and who are in process of writing their work.

SGPS requires confirmation of my eligibility and availability to participate in the event. Please review the considerations outlined below prior to signing this document.

Eligibility and availability considerations:

Due to the nature of the event, participants must have enough research materials and be at the stage of writing. Students without a supervisor must have a course-instructor sign the form to ensure eligibility of a research project or other project. All materials required for writing (e.g. notes, drafts, data, charts) should be organized in advance.

Commitment for each of the three days is required.

Leaving the event will result in a non-attendance fee of \$50.

To be completed by the student:

Student's name: _____

Student number: _____

To be completed by the supervisor:

Supervisor's name: _____

I confirm that the student will be available for each day of event.
