**CONGRATULATIONS
GRADUATES!**

TODAY WE CELEBRATE OUR STUDENTS—THEIR SUCCESS AT ONTARIO TECH, AS WELL AS THE ACCOMPLISHMENTS THEY WILL ACHIEVE IN THE FUTURE.

We can all take great pride in this moment.

After all, each of us—family and friends, professors, academic advisors, members of the board—have helped to ensure the academic success of our students. We're proud of our students and we know they're well equipped to meet the challenges of today and the future.

Following the ceremony, please join us for a reception located at Shawenjigewining Hall.

MESSAGE FROM THE CHANCELLOR

Class of 2022, it is an honour to salute you on all of your accomplishments as you celebrate Convocation. The earning of your university degree culminates one of the most rewarding and memorable chapters of your life and forever symbolizes your dedication, perseverance and capacity to fulfill a life goal. The entire Ontario Tech University community shares immense pride in your success.

YOUR UNIVERSITY FAMILY IS PROUD OF YOU, AND WE WILL CONTINUE TO BE HERE TO SUPPORT YOU IN THE YEARS AHEAD AS YOU ACHIEVE GREAT THINGS.

It goes without saying that your achievements have come during a period of substantial change that's featured significant adjustments to our daily lives. In tandem with your university, you have navigated the many challenges of the pandemic period, demonstrating determination, resilience and creativity throughout.

As classes and lectures transitioned between virtual and in-person modes, you needed to think differently, alongside Ontario Tech's amazing faculty and staff. Under the most trying of circumstances, you made it work. This will always speak volumes about your personal depth and character.

While it comes in the physical form of an elegant parchment, your degree represents the sum of your efforts and embodies your innovative skills, your flexibility to take on unique challenges and your ability to adapt to technological change.

As you push forward along new paths and search for new rewards, always reflect on your purpose and the nuggets of wisdom you take from your time at Ontario Tech. Your university family is proud of you, and we will continue to be here to support you in the years ahead as you achieve great things.

From all of us at Ontario Tech, I offer my warmest congratulations and best wishes. Enjoy the moment with your classmates, family and friends.

Sincerely,
Mitch Frazer, Chancellor

MESSAGE FROM THE PRESIDENT AND VICE-CHANCELLOR

Congratulations graduates! On this day you are joining an exclusive community of more than 25,000 Ontario Tech alumni who are making extraordinary contributions in the workplace and in academia. You are also graduating from a university that is now listed among the Top 200 of the world's best young universities.

Your university is extremely proud of your achievements and confident you will continue to experience personal success as you embark upon the exciting next chapters in your life. As you reflect upon all of the hard work of your years at Ontario Tech, know that your degree confirms to the community, and to the world, that you are an innovative thinker and a solution finder. You are ready to lead.

AS YOU REFLECT UPON ALL OF THE HARD WORK OF YOUR YEARS AT ONTARIO TECH, KNOW THAT YOUR DEGREE CONFIRMS TO THE COMMUNITY, AND TO THE WORLD, THAT YOU ARE AN INNOVATIVE THINKER AND A SOLUTION FINDER. YOU ARE READY TO LEAD.

Nineteenth-century American essayist Ralph Waldo Emerson once said, "What lies behind us and what lies before us are small matters compared to what lies within us". It's a poignant observation. In the heart of a pandemic and in the midst of public-health restrictions, Ontario Tech is where you demonstrated how you were able to rapidly adapt to new ways of working, studying and collaborating. You persevered and rolled with the technological and social changes.

Students proudly carried the Ontario Tech banner, many of them capturing accolades in a variety of external competitions on the national and international stage. Others found creative ways to uphold the university's 'tech with a conscience' mantra and help build better communities through such endeavours as developing a mental health app for first responders, or examining the impact of social media on mental health. In short, you showcased your resiliency and exemplified how we as a university worked together, even if some of that time required us to stay apart.

On behalf of our entire university community, congratulations again on a job well done, and best wishes for continued success.

Sincerely,
Dr. Steven Murphy
President and Vice-Chancellor

MESSAGE FROM THE PROVOST AND VICE-PRESIDENT, ACADEMIC

On behalf of the university's entire Academic Team—the deans, professors, lecturers, lab technicians, teaching assistants, advisors, and academic support units—I offer sincere congratulations from your family at Ontario Tech on your special graduation day.

AS THIS CHAPTER IN YOUR ACADEMIC JOURNEY COMES TO A CONCLUSION, IT ALSO REPRESENTS A BEGINNING AS NEW OPPORTUNITIES AND LIFE DIRECTIONS COME YOUR WAY.

Convocation represents one of life's most significant milestones: a moment to celebrate with those who have supported you. It is a time to reflect on the many different aspects of your Ontario Tech University journey, such as the bonds you have formed with friends and classmates, your work with faculty members as you pursued innovative projects or research collaborations, or the memorable experiences of your involvement with student clubs, societies or athletics. Be as proud of your achievements as we are of you.

I also want to take this opportunity to commend you for your flexibility throughout the challenges our university community faced during the pandemic. You played a huge role in Ontario Tech's response by adapting to new ways of learning and connecting with peers through virtual classes, online tutorials, labs and meetings. The fact that you thrived with ingenuity, in spite of the challenges, will serve you well throughout your career.

As this chapter in your academic journey comes to a conclusion, it also represents a beginning as new opportunities and life directions come your way. One of those new opportunities is the power of staying connected with Ontario Tech through your Alumni Association. Please be sure to share your future triumphs with us, and remember that your university will always be here to support you.

Once again, congratulations on your incredible achievement and best wishes for your future!

Sincerely,
Dr. Lori A. Livingston

ABOUT ONTARIO TECH UNIVERSITY

Modern and forwarding-thinking, Ontario Tech University advances the discovery and application of knowledge to accelerate economic growth, regional development and social innovation. We inspire and equip our students and graduates to make a positive impact in a tech-focused world.

We believe it's not only about developing the next tech breakthrough. Understanding and integrating the social and ethical implications of technology are our key differentiator.

We adapt to the ever-changing educational landscape by experimenting with the most effective ways to deliver flexible and dynamic learning, giving more choices to more people. We provide learner-centred educational options by offering a range of credentials, experiential learning opportunities and sparking entrepreneurship activities.

Our students enjoy a stimulating campus life experience that includes hundreds of clubs, cultural and community events, recreational opportunities and a growing varsity athletics program featuring basketball, badminton, curling, dance, golf, hockey, rowing, soccer, and women's lacrosse.

In addition to excellence in teaching, we offer our students experiential learning opportunities through internships, co-ops, practicums, research projects and more. In fact, 85 per cent of upper-year undergraduate students participate in experiential learning.

We collaborate with industry, community, government and academic organizations, bringing them together with our researchers and students to uncover innovative solutions for our partners' most pressing problems. Home to more than 80 specialized research laboratories and facilities, we're committed to attracting passionate and capable scholars to our high-tech campus.

The university is proud to acknowledge the lands and people of the Mississaugas of Scugog Island First Nation, which is covered under the Williams Treaties. We are situated on the Traditional Territory of the Mississaugas, a branch of the greater Anishinaabeg Nation, which includes Algonquin, Ojibway, Odawa and Pottawatomi.

THE UNIVERSITY COAT OF ARMS

The Coat of Arms was granted to the university on July 15, 2009 by Claire Boudreau, Chief Herald of Canada under the authority of the Governor General of Canada. The Coat of Arms offers a graphic representation of important facets of the university, as well as its history, values and achievements.

It highlights the university's ties to the regional, national and worldwide communities from which the university draws its mission and purpose. The university reserves the use of the Coat of Arms for commemorative and ceremonial purposes.

The Coat of Arms consists of a shield, a crest, supporters and a motto. The shield, at the centre of the arms, contains three elements: an open book, a canoe and a division line.

The open book denotes an institute of higher education. The inverted canoe alludes to intellectual exploration and signifies the university's location in Oshawa, which means portage or carrying place. The division line represents energy, innovation and community.

Atop the crest a falcon perches with its head facing forward to see the world as it is and to find ways to make a difference. The falcon, a symbol of leadership and persistence, holds a thunderbolt with flames at the top and bottom. Lightning bolts crossed behind the falcon emphasize the importance of technology. Thoroughbred horses flank the shield to reference Windfields Farm, which was located directly north of the university, and famed for breeding champion racehorses. As an official symbol of Canada, the horses also represent excellence, energy and agility. They stand on a mound of grass set with trillium flowers as a reference to Ontario. The university motto, *Cogitando et Agendo Duceamus*, means by thinking and doing, we shall lead.

THE UNIVERSITY MACE

The mace symbolizes the authority, independence and responsibility of the university as a protector, creator and facilitator of knowledge. It is carried before the President and Vice-Chancellor, and the Chancellor in the Academic Procession and rests on its stand throughout the ceremony.

The mace was unveiled at Convocation in 2007. Designed and crafted by Beth Alber, Associate Dean, Faculty of Design at OCAD University in Toronto, Ontario, it consists of a strong handle of carved cherry wood, an elegant and hardy tree native to southern Ontario. Rings of polished quartz and sodalite, in the university's colours, top the wood. The handle supports a crown of silver in the form of an abstracted flower bud, which is intended to be a reminder of our unending responsibility to nurture, protect and celebrate academic achievement among students, faculty and staff. The surfaces of the petals are etched with the microscopic imprint of a poplar leaf, as a symbol of hope and endurance. The mace is supported by a base of Belmont Rose granite from a quarry in the Kawartha Lakes region, representing the foundation of knowledge and our interdependence with the surrounding community.

GONFALONS

The gonfalon, a flag that hangs from a crosspiece or frame, originated in the medieval republics of Italy as an ensign of state or office. Universities from around the world have adopted gonfalons and they use them during Convocation ceremonies to symbolize the different academic areas within the university. The eight gonfalons displayed at the university's Convocation ceremonies represent the university and its seven faculties. Gonfalon carriers march at the head of their faculty during the procession, followed by the students who will graduate from each of the faculties during the ceremony.

ACADEMIC REGALIA

The colourful academic dress worn in the Convocation ceremony was introduced more than 600 years ago. At the university, all graduates wear a gown, with a cap and hood. The gowns of bachelor's and master's graduates are black. The gowns of doctoral graduates are dark blue and trimmed in light blue. Mortarboards are worn by bachelor's and master's graduates, and velvet bonnets are worn by doctoral graduates. The hoods of bachelor's and master's graduates are black and the hoods of the doctoral graduates are dark blue. All degree hoods have an inside lining of royal blue as the colour of the university. The colour of the velvet trim on the hoods is distinctive of the degree that has been earned by the graduate. Graduate diploma recipients wear a black bachelor's gown.

The Chancellor and President and Vice-Chancellor wear gowns that are distinctive of the positions they hold in the university community. University governors who participate in the Convocation ceremony wear a gown and sash distinctive of the Board of Governors. University officers, faculty and staff who participate in the Convocation ceremony wear the academic dress distinctive of the institution from which they graduated and the degree they received. If the institution's colours are not available, participants will wear a black gown.

MESSAGE FROM THE ALUMNI ASSOCIATION

Congratulations, class of 2022! You've persevered through lectures, labs, deadlines and even a global pandemic, and today, we celebrate all of your achievements. On behalf of the Alumni Association, welcome to our alumni family! Having endured unprecedented circumstances to complete your education, we cannot wait to see how you shape the future and become leaders of tomorrow!

Convocation isn't the end of your relationship with the university; it's only the beginning. We're committed to helping you succeed throughout your life, whether it's through alumni benefits or career development opportunities. I encourage you to visit our Alumni website (alumni.ontariotechu.ca) and social media channels to learn about everything available to you in your new role as #OTALumni. From a wide variety of in-person and virtual programs to events and other services, the Alumni Association Council and Alumni Office are here to help.

CONVOCATION ISN'T THE END OF YOUR RELATIONSHIP WITH THE UNIVERSITY; IT'S ONLY THE BEGINNING. WE'RE COMMITTED TO HELPING YOU SUCCEED THROUGHOUT YOUR LIFE.

Alumni are the university's greatest ambassadors. You join our network of more than 25,000 graduates across our country and around the world. I hope you will join me in staying connected with our university and fellow alumni by sharing your experiences and accomplishments and by participating in alumni events. We are extremely proud of you and cannot wait to hear about everything you accomplish on your journey.

Congratulations, you did it!
